Grading TA Daniel Hay		Section B4		Date 9/15/14	
<b>Homework/Exam Information</b>					
<input checked="" type="checkbox"/> Homework <input type="checkbox"/> Exam		Number 1		Assignment/Problem Graded By Daniel	
File/Function Doomsday.java	Explanation I accidentally named the file DoomsDay.java instead of Doomsday.java. Also the public class name was DoomsDay instead of Doomsday. I seriously thought doomsday was two words that's why I was following the camel casing style. Could you please change my grade?				
File/Function	Explanation
